"PHYSIOTHERAPY AND OCCUPATIONAL THERAPY IN BURN CARE"

Greetings!

Dear Colleagues,

In India around 7 million people suffer from burn injuries each year with 1.4 lakh deaths and 2.4 lakh people suffer with disability. NABI (National Academy of Burns- India) is a national association of professionals involved in burn care in India. This year, NABI is organizing their MID TERM CME in its academic pursuit to further the burn education and spread awareness regarding various preventive and treatment aspects of Burn injuries in India. This conference will be held from 18th January 2023 at the Department of Plastic, Reconstructive and Burns Surgery, AIIMS, New Delhi.

Rehabilitation is an essential component in management of patients with burn. We are organizing an academic event on "Physiotherapy and occupational therapy in burn care". This scientific event will provide an unparalleled opportunity to learn from physiotherapists and occupational therapists working as expert in the field of burns and acute care and to discuss innovations and ideas. This event will be conducted in an interactive form and discussed in the Indian context. It will provide a platform to discuss implications across research, management & clinical practice.

This session aims to give participants clear visibility on how they can apply the available information and knowledge to their immediate practice, as well as keeping in mind the potential of new research and innovations.

We look forward to your participation to make this event a success.

Sincerely,

Organising team

RAJ KIRAN

MANISH MAURYA

MISHA AHIR

SHERRY KAPOOR

GOVIND MEHTO

Organizing
Committee:

Organizing Chairman:
Dr. Maneesh Singhal

Organizing Secretary:
Dr. Shashank Chauhan

Joint Secretary and
Scientific coordinator:
Dr. Suvashis Dash

Joint Secretary and
Treasurer:
