Dear Industry Partner,

Warm greetings from the organizing team of NABI MID term CME 2022

The National Academy of Burns, India (NABI) is a National Association of Professionals involved in Burn Care in India. The aim of this society is to promote dissemination of knowledge of Burns Management and Prevention Amongst General Surgeons, Plastic Surgeons, Paramedical Personnel and members of the medical profession in general since its inception in 1993. NABI has grown substantially and boasts of around 2000 Members. Individuals belonging to the categories of Physicians, Nurses, Physiotherapists, Nutritionists, burn dressers, Occupational therapists, Dieticians, Social workers, Fire personnel are part of NABI family

This Pan Indian Midterm CME is a prestigious annual event in the calendar of Burns surgeons due to its academic extravaganza and updated research knowledge on burn care. This time the CME is being held at AIIMS, New Delhi by the Department of Plastic, Reconstructive and Burn Surgery, for the very first time.

The CME welcomes professionals who are associated with any aspect of comprehensive burn care. This conference is an annual affair and will be attended by over 150 Burn surgeons, Nurses, Physiotherapists, allied health professionals, Policy Makers, NGOs, social workers and start-ups. This mega event will give you an excellent opportunity to showcase your products to the large audience at the conference venue.

We invite you to join us as a partner for the CME, where you may show off your goods and inform our attendees about them. We also offer you the opportunity for showcase your products and services at the CME venue at selected sites. Such participation would offer a chance to provide information about the burn care products to our delegates coming from across the country for betterment of burn patients.

We are sure that you will definitely look into this proposition with interest as a fantastic opportunity and platform to enhance your products by reaching to a large audience.
